

THE PANTHER POST

“Sponsored by The New Lexington 21st Century After School Programs.”

2017-18 MVL CHAMPIONS

The 7th girls basketball team celebrates an incredible season with a huge victory!

Love Is In the Air

Katrina Carpenter from Perry County Waste Reduction and Recycling visited the seniors at NLHS to inform them of a scholarship opportunity. As a part of the senior English class, students filled out applications, conducted interviews with older generations, and wrote an essay. The students were then able to submit their applications and essays for scholarship consideration. Fourteen NLHS seniors submitted applications for scholarship consideration.

Announcements

Students and parents receive updates on scholarship opportunities frequently and are encouraged to apply. If you have questions on scholarship opportunities, please contact Mrs. Powell, the guidance counselor, at 740-342-3528

SMOOCHES FOR CHILDREN'S HOSPITAL!

Students were to bring in spare change to raise money for Children's Hospital. There were several administrators in the fun. Students were to put their change in the collection jug of the person they wanted to kiss the pig. They will be collecting until our goal has been met. We are close! A big thank you to Jorian Kinsel and her father for sharing the pig! It was hard work.

Superintendent Casey Coffey gets in on the fun of raising money for Children's Hospital. He didn't get the chance to kiss the pig... the pig gave him the smooch of smooches!

KISS THE PIG

Mr. Tre Stratton was chosen to kiss the pig! Students really put it to Principal Stratton!!

TEAMWORK

Mrs. Solomon's Kindergarten class works to create a Hoopa caterpillar in gym class. This is teamwork at it's finest.

FISHING for 10's

Lyrica Kazee, Abigail Shoults and Alex Lucas went fishing for tens. Then they colored the number that they caught on a hundreds chart.

FFA TO AUCTION TRACTOR & MOWER

This Tractor and mower will be raffled off at the annual Perry County Fall Tug Pull. Tickets are \$5 each or 5 / \$20 and can be purchased from an FFA advisor, at the FFA tractor pulls, at the Perry County Fair, or at area businesses where the tractor is on display. New Lexington FFA members completed all work on the tractor. All proceeds benefit the FFA through the FFA Alumni.

A GREAT BIG THANK YOU

Jasmine Looman, Natasha Bailey, Jaden Griffen, Chris Oldaker, Grace Baker, Lora Buckley, Brooklyn Burd, & Austin Canter were our "Students' of the Month" with "Employee of the Month," Bobbie Cook. They treated this great bunch of students to lunch as a reward for being honored as hard working students and employee. We are very grateful to Pizza Hut for sponsoring lunches for our students and employees.

WE ♥ THE OLYMPICS

Mrs. Wilson and Mrs. Hartley at New Lexington Elementary are using the winter Olympics to get their students excited about learning. They have turned their standards into Olympic events and students are in teams competing for medals. They created flags like the athletes carry as the Olympics begin and come to a close!

New Lexington FFA and shop club members attended the National Farm Machinery Show in Louisville, KY recently. Members Dalton Thomas, Rex Howdyshe, Clay Weber, Chuck Coey, Logan Emmert, Clayton Mindy, and Preston Wells attended the farm show as well as the Saturday afternoon pull session and the Saturday night finals session of the Championship Tractor Pulls.

ELKS' LODGE 509 HONORS NLMS STUDENT

Ryan Gee and Parina Patel are the 2017 - 2018 Elks 509 Essay Contest winners. Ryan and Parina wrote about "Why our Veterans are America's Heroes." Exalted Ruler Carl Trunko and Americanism Chairperson Ben Taylor from the lodge awarded Ryan and Parina each \$100 for their awards. We are proud of our 8th graders! Well done Ryan~! Well done Parina

21ST CENTURY CLUB SCRAPBOOKING

Sixth/Seventh grade Scrap book Club. Destiny Starr is hard at work creating Panther Pride and Pledge of Allegiance pages.

Creating is satisfying and rewarding. The girls will have a great scrapbook to keep after they fill up the pages with memories.

100TH DAY

New Lexington Elementary first graders celebrated the 100th day of school "Camp Style." They built a huge bonfire, hunted to 100, fished for tens, built bonfires and hiked a 100 steps at a time.

Mr. Lincoln, May I Shake Your Hand?

New Lex Elementary stepped back in time with President Lincoln. Mr. Lincoln (Mr. Boyer) visited with Mr. Linclon Morosko, an NLE student.

These New Lex Middle School students are getting a soil sample in order to perform a pH test on soil from the schoolyard. Mrs. Penny Cox from Perry Soil and Water instructed a week-long class on soil to Mr. Reyher's sixth grade science class.
