

## Youth Opportunities Unlimited

Dear NLMS Project Y.O.U. Family,

Your student may be eligible to receive gas vouchers that will assist with the gasoline costs of daily transportation. Please fill out the application attached to this page and return it to school. Your application will be reviewed, and if eligible, you will be given a stamped ticket approximately every two weeks, which will be good for a specific amount of gasoline at a local station. **Only ONE application per family can be submitted. If you have already requested vouchers at NLHS, you are not eligible to receive vouchers from NLMS.** *You must turn in an application to receive a gas voucher.* The amount for each voucher varies depending on the distance from home to school and how many days the student attends in a two week period.

Thank you for your participation in the Project Y.O.U. After School Program. If you have questions about the gas voucher program or any other part of the program please contact Mrs. Watts at the number or email below.

Best regards,

Tara Watts, MBA
