Household Folders

Welcome back JCE families!

I am so excited to begin this school year, and I want to tell you about something new we are going to try. JCE is going to work to use our digital resources as much as possible and reduce the amount of paper coming out of our office. One way we are going to do that is through household folders.

Household folders will:

- Be sent home with your oldest/only child
- Contain one copy of office information
 - o Multiple copies will be sent only when one form is required per child
- Be returned to school the day after information comes home
- Reduce the amount of paper coming from JCE and into your home

If the folder ever goes missing, no problem! Let us know, and we will replace it with a new one to make sure you receive all up to date information. All information coming home in the household folders will also be posted to our JCE website at http://www.nlpanthers.org/junctioncityelementaryschool_home.aspx.

This is a new practice, and it may take a little time to get used to it. I know with your continued help and support we will have great success with this!

As always if you have questions or concerns feel free to reach out to me by:

- Calling JCE at 740-987-3751
- Emailing me at maggie.cannon@nlpanthers.org

Every day is a great day to be a Panther!
