

THE PANTHER POST

“Sponsored by The New Lexington 21st Century After School Programs.”

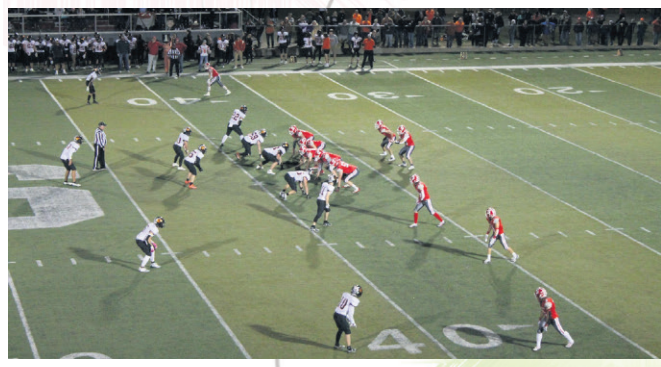

Perry County Super Bowl

The Panther defense is squared off versus the Sheridan offense in the game billed as the Perry County Super Bowl

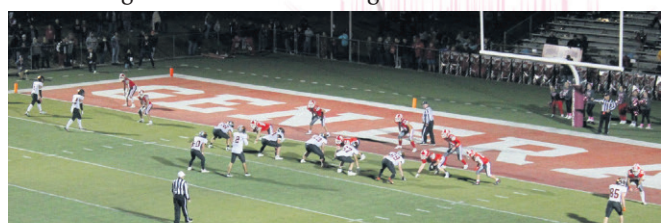

Best Band in the Land

The Panthers Marching Band performing at halftime during the New Lexington/Sheridan MVL showdown.

The marching bands for both schools combined at halftime in a tremendous show of MVL sportsmanship during the recent New Lexington-Sheridan football game. Tremendous!

It's "goal to go" for the Panther O!!!

The New Lexington Panthers gather after the heartbreaking loss to the Sheridan Generals in the week 10 MVL Showdown.

Rumble in the Jungle

It's anybody's basketball during the Rumble in the Jungle. Schools came together to play ball before the actual seasonal games began. The competition was fierce and fun.

Together We Can

Veterans Day Assembly

John Gardner and Maggie Cannon presided over the elementary assembly on Veterans Day.

Mike Boley sang a medley of Patriotic songs at the Veterans Day assembly. The lyrics of the medley represent our love of country and the appreciation of who we are and what we have as Americans. The second song in the arrangement, (This Land is Your Land), was written by Woodie Guthrie. Guthrie paints a picture of how vast and beautiful our country is. The underlying thread is that we have this country and all that it offers us because of the sacrifices of our veterans.

Sam Rupe performed at the Veterans Day assembly. He chose the song "Home" by Dierks Bentley. It was a crowd pleaser!

John Robinson participated in the Placement of the Wreath as well as with the NLHS Signing Patriots during the Pledge of Allegiance.

Lialis Brown, AJ Shaffer, Annie Householder, Logan Emrick

Miss Cannon's first grade class celebrated Veterans Day in their red, white and blue!

Presentation of Colors

George Adams leads his fellow veterans in the Presentation of Colors.

The NLHS choir sang "America the Beautiful" at the Veterans Day assembly.

Holiday Greetings from New Lexington City Schools

The administrators, teachers, and staff wish each and every one of you the best during this holiday season. We hope you enjoy a few weeks of festivities and time with your families. Blessings

Holiday Spirit

Mrs. Harley's kindergarten class got in the holiday spirit with some Christmas centers!

Students made beaded pipe cleaner candy canes to work on fine motor skills. (Alarick Jenkins, Emmie Noice)

Scarlett Love worked on "TEN" frame holiday addition.

Pre-Thanksgiving Feast

Students in the 8th Grade ELA classes enjoyed a Pre-Thanksgiving feast.

Red Cross Blood Drive

Evie Swick and Nora DuPerow served as Red Cross Ambassadors at the blood drive that took place at the high school.

Our A.D., Amanda McCoy, was tickled "orange" while donating blood at the recent American Red Cross blood drive. The donors are greatly appreciated, and laughter goes a long way.

FUN IN HALLS

There is always a little fun in the halls of NL schools. While most were sporting shirts to support OSU, these wonderful members of the NLCS community were sporting clothing to support the school up NORTH. Now we know Georgia, Michigan, TCU and Ohio State are headed to the 2022-23 College Football Playoffs. More fun to come.

Millie Gill wrote the tree and found all of the holiday words!

Back In Time

Mrs. Hartley and Mrs. Wilson's kindergarten classes at NLE traveled back in time and attended school in a one room schoolhouse. The kids "churned" butter, wrote their lessons on slates and built log homes. They returned to the present and used amenities we all enjoy. The microwave popped perfect popcorn, had lessons on I pads and built brick homes with legos.

Imagine learning with only a fire keeping you warm. The times sure are different compared to 150 years ago.

Building brick homes is a piece of cake.

NLHS - You Can't Judge a Book by the Cover

Stealing Home, the recent play performed by students at NLHS, is a hidden gem in the theater world. People who were able to come and watch were pleasantly surprised by the great theater skills that our students have in the production. Mrs. Kelly Wells said it was so much fun working with these students and watching them develop their characters. Thank you to everyone who had a part in the production and to those who came and supported the students!

NLMS

November Students of the Month

Tannah Knight, Jena Spencer, Evie Valentine, Aubrey Brown, Mrs. McCord, Elijah Stephens and Colton Mathias enjoyed a great lunch at Trotters for their hard work and dedication to their studies as well as Mrs. McCord and her dedication to serving our students great meals throughout the year. Thank you Trotters!

Chamber of Commerce Banquet

(Doug Clifford photos)

Plenty of delicious goodies were prepared for the Perry County Chamber of Commerce banquet.

New Lexington High School's Elliott Nutter and Leah Siemer of the F.C.C.L.A. worked the Chamber of Commerce Awards Banquet. Sam Rupe provided musical entertainment at the Perry County Chamber of Commerce awards banquet. Sam willingly shares his musical talents.

The New Lexington High School Jazz Band under the direction of Amber Durant performed at the Perry County Chamber of Commerce Awards banquet.

NLE Hosts a Holiday Banquet

Extremely festive and delicious food were enjoyed by many at the NLE Holiday Banquet. A big thank you to the teachers and administration for planning and having the event for students and their families!

JCE First Graders Make STEM Boats

JCE first graders also STEM boats. How many pennies can a tin foil boat hold? It's all in the design. Thinking like an engineer, Kenny and Hunter built a boat out of foil. Their boat held 153 pennies! WOW!

AfterSchool CREATE

The CREATE Afterschool Program is located at 101 Third Ave, New Lexington, which is also the Workforce Development Center. If you have any questions, Jeremiah Schluep is the Site Coordinator and can be reached at 740-342-4133.

Wes Fricke

Middle School After-school CREATE students used cubelets and legos to build robotic animals. This STEM activity uses the students knowledge and creativity to make the animal move and perform tasks. They have also been programming the MicroBits to function as messaging apps, virtual pets, and completing circuits.

Christmas Parade

The New Lexington Federation of Teachers participated in the Christmas Parade and won Best Use Of Theme. The theme for the parade was Christmas Movies. We chose Elf. We recreated the school scene from the movie using members and children of members.

Up and Close!

JCE fifth grade students got up close and personal with our newest farm family members, the chicks!

Sammy O'Rourke and Chloe Hollingshead enjoy a new baby chick. There is nothing like a little baby animal to engage the interest of a child!
