Dear NLCSD Parent,

It appears that the grueling winter of 2013-14 is finally over! I think it is safe to say we are all ready for spring and summer and will relish warm weather and sunshine.

As you may be aware, the governor recently signed legislation into law that gave school districts four additional calamity days along with other provisions for district calendar contingency plans. We have made the changes to our calendar and the board will be acting on the new plan at the April meeting. The revisions to the calendar are listed below.

If you have questions, please contact the building secretary at the school your child attends.

Sincerely,

Tonya F. Sherburne  
Superintendent
