

THE PANTHER POST

"Sponsored by The New Lexington 21st Century After School Programs."

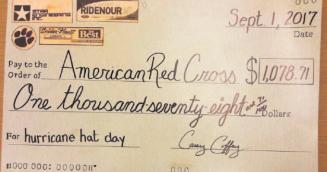

New Lexington FFA Chapter traveled to the Hocking River for their annual canoe trip. The New Lexington FFA Chapter has hosted an annual canoe trip for over 30 years. It is something that all the students, staff, and chaperones love to do. Eighth grade through seniors in high school take part in the fun. After school on the 5th of September, students enjoyed a cookout with hot dogs, chips, and cookies. The purpose of the adventure is to first focus on building relationships between the younger students and the upperclassmen. It is also a great way to generate excitement about being in AG. While rowing down the river the students learn team building skills, leadership and trust. This year we had an outstanding 137 members join us on the canoe trip. We would like to thank all the chaperones and teachers for accompanying the students and letting them enjoy this fun trip. (Natalie Dunn, FFA Reporter)

Brooke Wiseman, Natalie Dunn and Brittany Weaver-Spires enjoy the moment on the River.

Donations were received from students wearing Hats for Harvey from the middle school, staff, high school, Junction City Elementary, central office, and the bus garage! Star Engineering, Ridenour, and Snider-Flautt, local community businesses made donations, as well. Our total raised was \$1,078.71, which is incredible! The donation was presented to the Red Cross.

New Lex Elementary had their fundraiser prior to Hat Day.

Through SPCA (Society for the Prevention of Cruelty of Animals) of Houston, TX., NLE donated an extra \$241~! Thank you everyone for the Help for Harvey Victims.
