FMC Athlete of the Week - FRESHMAN TRACK ASHTON CARROLL & C.J. RATLIFF

Ashton, a freshman, is a versatile member of the girl's track team. Ashton's abilities allow her to run any distance from sprints to mid-distance and even into the distance races. More importantly, she scores at any distance for the team. As a result, she is the overall "points" leader for the season. Great work Ashton Carroll!

C.J. Ratliff, as a freshman, has been asked to run a variety of races for the Panthers. This was showcased at the MVL Championships when he was the highest placing freshman in the 400m(6th), 200m (3rd) and was also a key member of the 3rd place 4x200 relay, 5th place 4x400. C.J. played a huge roll in helping the Panthers leap from 9th as a team last year to 4th this season. C.J.'s hard work and positive attitude are a huge asset to the team. Great work C. J. Ratliff!
